

## **Operation Christmas Child Volunteer program**

Many families from all across the country will once be filling shoe boxes with gifts of love for millions of needy children around the world.

Last year, more than 738,000 shoe box gifts were sent from families in Canada to children living in developing countries. Once, again with your help at the Waterloo processing centre, thousands will have the same opportunity.

The Tamil Cultural Association of Waterloo Region members and our friends have been volunteering at these centres for the past 6-7 years. Please join us this year, too. Volunteers must be 14 years of age or in grade 9. The hours contributed by high school children could be eligible under the Waterloo school board Volunteer program. The secession duration is from 7.00pm to 10.00pm.

**Time: 6.45 pm registration**

**Venue:** The Processing Centre is located at the corner of Weber St and Northfield Drive, Waterloo.
